

PRODUCT PROFILE

P506035 AIR PANEL FILTER

Suits Toyota Landcruiser 200 series, 4.5L V8 Turbo Diesel

FEATURES AND BENEFITS:

- ✓ Compatible with Toyota Landcruiser 200 series, 4.5L V8 Turbo Diesel engine
- ✓ Manufactured to meet or exceed OEM specifications

Donaldson is pleased to introduce the latest air panel filter to join their extensive air filter range.

Available for the Toyota Landcruiser 200 series, 4.5L V8 Turbo Diesel and designed for both city and off-road applications, this air panel filter will give your engine maximum protection from dust and dirt particles.

Donaldson recognises that not every 4WD is the same and many have modifications which is why we carefully list the original equipment part number as a cross reference. Please check the part number below to confirm this filter will suit the vehicle.
