

PRODUCT PROFILE

P903479 CABIN AIR PANEL FILTER

Pollen Filter Ford Ranger & Mazda BT50

Available for the current 2.2 & 3.2 litre Turbo Diesel models of Ford Rangers and Mazda BT50's, the pollen filter is designed to reduce the amount of harmful contaminants entering your vehicle cabin, resulting in a vast improvement of the quality of air you breathe.

Donaldson recognises that not every 4WD is the same and many have modifications which is why we carefully list the original equipment part number as a cross reference. Please check the part numbers below to confirm this filter will suit the vehicle.
