

PRODUCT PROFILE

P506079 CABIN AIR PANEL FILTER

Toyota Hilux 3ltr, Landcruiser 4.5ltr and Prado 3ltr
Turbo Diesel Engines

Available for current models of Toyota Hilux 3ltr turbo diesel, Landcruiser 200 series 4.5ltr turbo diesel engines and the Prado 3ltr turbo diesel, the cabin air panel filter is designed to reduce the amount of harmful contaminants entering your vehicle improving the quality of air circulating inside your vehicle.

Donaldson recognises that not every 4WD is the same and many have modifications which is why we carefully list the original equipment part number as a cross reference. Please check the part numbers below to confirm this filter will suit the vehicle.
